# Apprenticeship by the Numbers

- Since January 2017, employers have hired nearly 400,000 (235,000 last fiscal year) new apprentices to fill jobs in high-demand occupations!
- Nationally - 545,000+ apprentices in more than 1,000 occupations
- Michigan – nearly 1000 registered programs and 20000 active apprentices

# More Fun Facts

- After Apprenticeship Completion, 91% Of Apprentices Retain Employment
- After Apprenticeship Completion \$60,000 Average Starting Wage
- Pre-Apprenticeship Program Help Underserved With Employment
- For every dollar spend on apprenticeship, employers get approximately \$1.50 ROI
